REMARKS

In response to the Office Action mailed May 2, 2007, Applicant has amended the

application as above. No new matter is added by the amendments as discussed below. Applicant

respectfully requests the entry of the amendments and reconsideration of the application in view

of the amendments and the remarks set forth below.

**Discussion of Claim Amendments** 

Claims 1, 14, 16 and 21 have been amended. Upon the entry of the amendments, Claims

1-27 are pending in this application. The amendments to Claims 1, 14, 16 and 21 are merely for

clarification and do not narrow the scope of protection. Furthermore, the amendments to the

claims do not introduce any new matter. Entry of the amendments is respectfully requested.

**Discussion of Claim Objection** 

The Examiner has objected to Claim 1 because of certain informalities. The Examiner

states that in Claim 1, before the term "generating," "said" should be inserted. In reply,

Applicant has amended Claim 1 to insert "the" before "generating."

Discussion of Claim Rejections Under 35 U.S.C. § 112, ¶ 2

The Examiner has rejected Claims 1-13, 14-21 under 35 U.S.C. § 112, second paragraph

as being indefinite. The Examiner states that in Claims 1, 14, 16 and 21, the term "at least one

bit-stream" is not clear whether it refers to the first or second bit-stream. In reply, Applicant has

amended the term to "at least one of the first and second bit-streams." Applicant respectfully

submits that "at least one of the first and second bit-streams" refers to one of the following: i) the

first bit-stream, ii) the second bit-stream and iii) both of the first and second bit-streams. In view

of the above, Applicant respectfully submits that amended Claims 1, 14, 16 and 21 are clear and

definite.

As the remaining rejections to dependent claims stemmed from issues with the

independent claims, and these rejections have been overcome, it is respectfully submitted that the

rejections to the dependent claims have been overcome
